Murchison Falls National Park Safari 3 days 2 nights

Day 1 - The marvelous Murchison Falls

Early morning, leave Kampala driving northwest to Murchison falls national park. **Optional:** Visit the Ziwa Rhino sanctuary for a nature walk to see the rare rhinos in the wild. Lunch in Masindi Hotel. Proceed to Murchison Falls National Park, the largest protected area in Uganda, with 3.840 Kms, named after the falls on the Victoria Nile. Relax a bit at a situated site on the top of the spectacular falls, where you can see the Nile's perfected beauty and marvel as it compresses and squeezes itself from over 1 kilometer wide down through a seven meter canyon. The 43 meter drop of the falls creates a thunderous roar and a beautiful rainbow in a plume of spray – the best of the Nile River. Dinner and overnight at Pakuba safari lodge.
